Introduction

Vauxhall's wide range of models already offer outstanding levels of refinement, flexibility and style, while our expanding range of ecoTEC models combines excellent fuel economy with ever-lower emissions.

All of our models offer outstanding value for money too. Grandland X SE models for example, with either diesel or petrol engines, are both available from NIL Advance Payment.

And now we've got more fantastic deals for you too.

- **Many models available from NIL Advance Payment**
- **Parking sensors on all models – free of charge!**
- **Two-coat metallic/pearlescent/premium and brilliant paint on all models – free of charge!***

So you see, there's never been a better time to get into a new Vauxhall.

As a founder member of the Motability Scheme Vauxhall is a major supplier of vehicles to disabled drivers and their families. Our Motability New Car Contract Hire Scheme lets you drive a brand new Vauxhall in exchange for all or part of the Higher Rate Mobility Component of the Disability Living Allowance, Armed Forces Independent Payment or War Pensioners' Mobility Supplement. If you are an existing Motability customer, the change from the Disability Living Allowance (DLA) to the Personal Independence Payment (PIP) may affect your eligibility. However, the Motability Scheme will continue to lease cars to disabled people who receive the Enhanced Rate of the Mobility Component of PIP, which has the same value as the Higher Rate Mobility Component of DLA. Your nearest Motability-approved Vauxhall Retailer will be glad to advise you on the car that's right for you.

Payment Glossary

DLA	Disability Living Allowance.
WPMS	War Pensioners' Mobility Supplement.
F/W Rental	This is subject to change on a quarterly basis. T/A (Total Amount) indicates that the current allowance is commuted for the period of the contract and subsequent increases in the allowance are forfeited. Where a monetary value is shown any subsequent increase in the allowance will be paid by the DWP to the recipient.
Advance Payment	This is subject to change on a quarterly basis.
PIP	Personal Independence Payment.
AFIP	Armed Forces Independence Payment.

The facilities offered are for the hire (bailment) of goods. The Motability Contract Hire Scheme is administered by Motability Operations Limited (Registered Company No.1373876), City Gate House, 22 Southwark Bridge Road, London, SE1 9HB. Offers valid from 1 July – 30 September 2019. To qualify you must be in receipt of the Higher Rate Mobility Component of the Disability Living Allowance, the Enhanced Rate Mobility Component of the Personal Independence Payment, the War Pensioners' Mobility Supplement or the Armed Forces Independent Payment, which will be taken in lieu of the four weekly rental. Full written details, including terms and conditions, are available on request. All information correct at time of publication.

* = Tri-coat premium paint is available as an additional extra-cost at full option price.

a/c = Air conditioning.

Fuel consumption figures are determined according to the WLTP test cycle. CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied. Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

Motability customers receive parking sensors and metallic/pearlescent/brilliant or premium paint free of charge. Tri-coat premium paint is available as an additional extra-cost at full option price. Nav models feature satellite navigation with colour monitor. S/S = Start/Stop. Please note: Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information under www.vauxhall.co.uk/adblue.html. In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Fuel consumption figures are determined according to the WLTP test cycle. CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied. Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

Motability customers receive parking sensors and metallic/pearlescent/brilliant or premium paint free of charge.

Tri-coat premium paint is available as an additional extra-cost at full option price. Visit us online at www.vauxhall.co.uk/motability

For more information please contact Vauxhall Motability FREE on **0800 731 5267** or email motability.customer@vauxhall.co.uk

The correct tax treatment is then applied. Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

Motability customers receive parking sensors and metallic/pearlescent/brilliant or premium paint free of charge.

Tri-coat premium paint is available as an additional extra-cost at full option price. Visit us online at www.vauxhall.co.uk/motability

Nav models feature satellite navigation with colour monitor. Please note: Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information under www.vauxhall.co.uk/adblue.html. In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Fuel consumption figures are determined according to the WLTP test cycle. CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied. Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

Motability customers receive parking sensors and metallic/pearlescent/brilliant or premium paint free of charge.

Tri-coat premium paint is available as an additional extra-cost at full option price. Visit us online at www.vauxhall.co.uk/motability

S/S = Start/Stop. Please note: Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information under www.vauxhall.co.uk/adblue.html. In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Fuel consumption figures are determined according to the WLTP test cycle. CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied. Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

Motability customers receive parking sensors and metallic/pearlescent/brilliant or premium paint free of charge.

Tri-coat premium paint is available as an additional extra-cost at full option price. Visit us online at www.vauxhall.co.uk/motability
