GT-LINE S EXTERIOR

3

The new Ceed family. For pleasure. For leisure. For life.

The great thing about life is that there are so many ways to enjoy it. And that's where the new Kia Ceed 5-door family hatchback range steps up to the mark. Each is designed to suit your very own version of driving pleasure - with bold style, innovative technology and exceptional comfort. Take your pick from the striking Ceed or the stunning Ceed GT Line with further-enhanced dynamic styling. And if you crave even greater performance, opt for the hatchback GT. Whichever Ceed you choose, you're on track for an exhilarating ride.

GT-LINE S INTERIOR

Prepare to impress.

The GT-Line S interior delivers a dynamic statement with a D-cut steering wheel and stylish upholstery options. It's available with a black faux suede and leather combination featuring grey stitching and the GT-Line logo. The black headlining rounds off the sporty ambience inside.

(Image shown for illustration purpose only and may not be to UK specifications)

GT EXTERIOR

Make your mark.

The Ceed GT is a force to be reckoned with. Distinguishing features? The unmistakable GT logo on the dark chrome-framed, black high gloss honeycomb grille with red accents.

Bold red colour highlights also grace the side mouldings and the 18" diamond-cut alloy wheels. Last but surely not least, the full-performance dual exhaust emits the sound of the powerful 1.6 T-GDi engine.

GT INTERIOR

Zoom in on style.

In the Kia Ceed GT, red signifies sportiness: you'll find bold colour accents throughout, from the contrast stitching on the leather and faux suede upholstery to the GT logo on the seats and the D-cut steering wheel.

(Image shown for illustration purpose only and may not be to UK specifications)

MILD HYBRID

Transform the future.

The new Ceed family features our EcoDynamics+ Mild-Hybrid Powertrain System, offering low-emission everyday driving. By cleverly pairing the latest 1.6 CRDi diesel engine with a 48-volt lithium-ion battery, it can reduce fuel consumption and vehicle emission levels. What's more, the integrated 'e-system' recovers kinetic energy during deceleration phases to provide torque assistance when accelerating.

Powertrain

Picture shown for illustration purpose only.

PLUG-IN HYBRID

Smart Technology

At the touch of the Hybrid/Electric (H/EV) button located next to the gear knob, you can prioritise between electric and hybrid mode. In EV mode - ideal for urban driving - the system's priority is to use only electric energy for a zero-fuel, emission-free drive; giving you an impressive range of over 50 km* of inner-city driving. And when there's insufficient battery charge, the system simply switches automatically to hybrid mode. This mode operates both energy sources, using the petrol engine and the electric motor simultaneously.

Energy flow

Driving situation

Start

The engine is started by the 'e-system' to ensure a prompt and smooth start.

Torque Assist

During acceleration or uphill driving, the 'e-system' provides torque assistance by taking energy from the battery to support the engine.

Cruising

When driving at a constant speed, the combustion engine partially recharges the battery on the go if the charge level is low.

Sailing

Mild Hybrid with iMT additionally features the 'sailing function'. When the driver lifts their foot from the throttle and lets the car sail without accelerating, the engine will seamlessly and smoothly switch off, resulting in fuel savings. As soon as the throttle is pressed, the engine will immediately take over. The distance covered with engine off depends on driving conditions and vehicle speed.

Energy Recuperation

When decelerating or braking, the energy generated by the vehicle motion is converted into electrical energy to recharge the battery.

Moving Stop & Start

When decelerating to a stop, the combustion engine turns off automatically during in-gear deceleration and braking to save fuel.

[Build your Ceed SW](#)

Add more freedom.

Need more room to enjoy your day? Meet the Kia Ceed Sportswagon. It combines assured, athletic design with heaps of space and a dynamic drive. At the front, it shares the hatchback's design credentials, while the low, sleek profile with its chrome-framed windows extends further than ever before. Plus, the sleek roof rails give you the freedom to add whatever you need. So let nothing stop you.

INTERIOR DESIGN

11

Pick your dream team.

Refined and intuitive in equal measure, in the Ceed everything is designed around the driver: the seamless, horizontal layout of the instrument panel creates a light and airy atmosphere. This sense of roominess is matched by soft-touch surfaces emphasizing the high-quality feel of the interior. Exceptional style is paired with innovative technology: it includes a seamless 10.25" touch screen with navigation system and automatic climate control. So choose your teammates, or go it alone.

EXTERIOR

PLUG-IN HYBRID

Power into the future.

Need more room but still crave athletic design with dynamic driving, or thinking about experiencing electric? Then meet the Kia Ceed Sportswagon and GTL models. And introducing the new Sportswagon Plug-in Hybrid incorporating Kia's latest electrified powertrain, producing true performance with lower fuel emissions.

Charging Port

The new Ceed Sportswagon PHEV can be charged with a Type 2 to 230V cable for domestic charging or a Type 2 to Type 2 cable. Both types of cables are supplied with the vehicle. AC charger time (3.3kW) is approximately 2 hours and 15 minutes (0→100%).

Charging Indicator

Cleverly embedded within the speaker grille in the middle of the dashboard, when you plug in for charging, 3 LED lights tell you the charging status and battery level. Easily visible from outside the vehicle, the indicator is ideal for knowing the charging status of your battery at a glance.

*All technical data is to be confirmed (January 2020) and is subject to change.

Energise your drive

The new Ceed SW Plug-in Hybrid takes the electric-driving experience to the next level. Featuring our most advanced powertrain, it perfectly balances efficiency with dynamic driving, delivering a fast and smooth transition from electric to hybrid (petrol/electricity) operation; plus, with a full, 100%-charged battery offering a range of over 50 km, you can be sure that every drive you make is as eco-friendly as possible. What's more, inside the comfortable, practical and refined interior, you'll find a whole host of added technology features to make your electric-driving experience as easy and fulfilling as you could possibly desire.

Enjoy more.

POWERTRAIN

If you like exploring new territory, you've come to the right place. The Kia Ceed offers dynamic engines to suit your taste. Choose between powerful yet efficient petrol (now also available as Plug-In Hybrid) or diesel engines. While gasoline particle filters are standard on all petrol engines, diesel models are fitted with an advanced selective catalytic reduction system.

7-speed DCT (dual-clutch auto transmission)

The latest-generation 7-speed dual-clutch transmission ensures a dynamic drive and excellent fuel efficiency.

(Plug-In Hybrid comes with a 6-speed auto DTC - dual-clutch auto transmission)

Manual transmission

The 6-speed manual transmission combines quick, smooth gear changes and gear ratios matched to engine torque curves. The result? A perfect balance between power and efficiency.

Paddle Shift Levers*

The paddle shift levers allow you to change gears swiftly without taking your hands off the steering wheel. They also make driving more dynamic and intuitive, while leaving you in complete control* (grade dependant).

Drive Mode Selection (DMS)*

Designed to enhance your driving experience, Drive Mode Select can be operated via a button next to the gear shift. Working with DCT, it enhances driving dynamics by providing an improved throttle response and acceleration. DMS also offers a better steering response and perfectly complements the 17" and 18" wheels that are available with DCT/DMS.

* DMS and paddle shift levers are available only for models with a DCT transmission (grade dependant).

EQUIPMENT

Let the Ceed take care of it.

Comfort and convenience make it big in the Kia Ceed. A whole range of great equipment from the heated steering wheel to the 10.25" touchscreen navigation system ensures your journey is as relaxed and as inspiring as possible (grade dependant).

Bright ideas

The front of the Kia Ceed merges high-tech with striking design for maximum effect. It features full LED headlamps and "Ice-Cube" LED Daytime Running Lights, fog lamps and 17" alloy wheels (grade dependant).

10.25" Touch Screen Satellite Navigation with Telematics

The easy-to-use 10.25" colour touch-screen audio system (grade dependant) includes useful features such as control of Digital Audio Broadcast (DAB), smartphone connectivity with Android Auto® and Apple CarPlay®, as well as a display for the rear-view camera.

USB outlet

Stay connected wherever you're headed: USB outlet in the front centre console allows you to plug in your devices to listen to music and to charge your phone or tablet with the USB charger.

Electronic parking brake

In the Kia Ceed, convenience and safety go hand in hand: there's no need to pull a lever to activate the parking brake - it just requires a touch of a button (grade dependant).

Stay Connected...

KIA UVO CONNECT

Created exclusively by Kia, UVO CONNECT brings driving into the digital era in two distinct ways. Firstly, our All-New Kia Live service delivers real-time information to your navigation system with a range of information for your journey, and secondly, our new UVO app offers a range of data and information about your car through your Android™ or Apple™ smartphone. What's more, this exciting new technology has been developed to comply with the latest EU Data Protection Directive, ensuring the highest levels of data privacy, transparency and protection.

Live traffic information

The navigation system delivers highly accurate live traffic information from TomTom® that is updated every two minutes, so you know exactly where traffic is running smoothly, or which areas to avoid. When things get busy, the system lets you know and suggests alternative routes.

Camera/danger zones

Be alerted to a whole range of fixed and stationary speed cameras as well as restricted access zones. The system also alerts you to areas where accidents are particularly common.

Weather forecast

With an up to four-day forecast available, you can simply type in your destination to view a complete summary, including minimum and maximum temperatures, wind speed and chances of sun or rain.

Points of interest

Looking for a place to eat, a local business or somewhere special to visit? All this information and more is easily accessible with the live, regularly updated POI directory.

Parking

Kia Live shows available parking locations before you arrive at your destination. It will show potential **on-street parking** and **off-street parking**, including locations, details, prices and availability.

Fuel info

When you're running low on fuel, the system will show you the nearest petrol stations and prices using a TomTom® online database, so you can plan your refuelling stops accordingly.

Images shown are for illustrative purposes only and not to UK specification. Features are not necessarily standard across the range.

Kia Live

Once activated, Kia Live makes use of the SIM chip included in the infotainment system to retrieve and update live data for its services, so you have access to seamless information displayed directly on the navigation screen.

UVO App

Designed for both Android™ and Apple™ smartphones, the UVO app offers complete peace of mind with a whole range of features dedicated to providing diagnostic data about the status of your car and the trips you take. The app can also activate a range of remote functions and features when you are away from the car. UVO App connectivity available on all models except '2' grade.

Vehicle Information

Find my car

tells you the last known location of your vehicle - ideal if you are parked in a large car park.

Vehicle status

offers an overview of key elements of your car's status such as door locks and ignition.

My trips

gives a summary of your previous journeys including average speed, distance driven and time in transit.

androidauto

Android Auto™ is designed to keep you perfectly connected to your phone - while minimizing distractions so you stay safe on the road. The simple, intuitive interface lets you access features like Google Maps, apps, music and voice control, and automatically organizes info into simple cards that appear just when they're needed.

Apple CarPlay™ is a smart, safe way to use your iPhone while driving. It takes all the things you might want to do, and puts them into your All-New Kia XCeed's display, so you can get directions, make a call and listen to music - all while staying focused on the road.

Remote Service

Send to car

allows you to pre-plan and set your journey through the app for seamless use in the navigation system.

Notifications

Notifications will notify you whenever the car alarm is triggered; share **Diagnostic Notifications** with you about the current status of your car; and supply you with a **Monthly Vehicle Report** giving an overview of your car usage.

Information and control service for your Kia; the services will be available free of charge for a period of seven years commencing on the day the vehicle is sold to the first owner of the vehicle, i.e. the point in time the initial purchase agreement becomes effective, and may be subject to change during that period. Details of operation and terms of use can be obtained from your Kia Dealer and on kia.com. Smartphone with iOS™ or Android™ operating system and mobile phone contract with data option necessary incurring additional cost.

SAFETY AND ASSISTANCE

Protect yourself with advanced features.

Peace of mind is key to enjoying your ride. That's why the Kia Ceed comes with innovative features and sophisticated technology to keep you and your passengers as safe as possible.

**Smart Cruise Control (SCC)* with Stop and Go**

Using a camera and radar, Smart Cruise Control can regulate both the Ceed's speed and the distance to the car in front (grade dependant). The system maintains the distance to the preceding vehicle by automatically modulating your car's speed. If the vehicle ahead picks up the pace, the Ceed accelerates up to the set speed. If the vehicle in front slows down and the predetermined safe distance cannot be maintained, the system will reduce the speed, or even stop the car. A helpful feature, particularly in stop and go traffic.

**Forward Collision-Avoidance Assist (FCA)**

The FCA system can detect preceding vehicles and pedestrians crossing the road (grade/option dependant). Using a camera and radar sensors to monitor the velocity of and distance between vehicles, it warns the driver in the event of a potential collision risk by activating a visual alert. In conjunction with pedestrian detection, the steering wheel gives a haptic response. If there is no driver reaction, the car brakes automatically to avoid or mitigate an accident.

**Lane Keeping Assist (LKA)**

No need to worry about drifting out of your lane. The Lane Keeping Assist uses a camera mounted at the top of the windscreen to monitor lane markings, and if you move out of the lane unintentionally the system will alert you and even help steer the car back into your lane.

**Driver Attention Warning (DAW)**

The system detects whether you're losing concentration by monitoring the pattern of the steering wheel, indicator, acceleration and overall duration of the journey. If you show signs of drowsiness or inattentiveness, DAW alerts you with a warning sound and a coffee cup symbol in the cluster.

**Speed Limit Information Function (SLIF)**

The Speed Limit Information Function gives you all the necessary information to help you stay within the speed limits. Using the camera on the windscreen, it reads speed limits and displays the information clearly on the navigation screen and cluster (grade dependant).

**Blind-Spot Collision Warning (BCW)**

The Blind-Spot Collision Warning system has radar sensors that monitor your blind spots and warn you of approaching cars with a symbol in the side-view mirror (grade dependant).

SAFETY AND ASSISTANCE

Stay safe with smart assistants.

The Kia Ceed assists you with innovative features that enable you to drive more safely. Negotiating traffic jams, help with parking or shining a brighter light into corners at night? The Kia Ceed takes care of it so you can avoid potential danger.

**Lane Following Assist (LFA)***

LFA makes driving in traffic jams easier and safer. The system uses sensors to maintain a safe distance to the preceding vehicle and controls acceleration, braking and steering while monitoring road markings to help keep your car in the centre of its lane. LFA works between 0 and 81mph.

*Lane Following Assist (LFA) is grade & transmission dependant.

**High Beam Assist (HBA)**

When the camera in the windscreen detects the headlights of an oncoming vehicle at night, the High Beam Assist system automatically switches to low beam to avoid dazzling other drivers. Once the car has passed, the high beam is automatically switched back on.

**Rear Cross-Traffic Collision Warning (RCCW)**

When reversing out of a parking space or driveway, the radar-based Rear Cross-Traffic Collision Warning system alerts you to potential traffic crossing your path (grade dependant).

**Rear-view camera**

The Rear-view camera gives you the full picture when reversing into a parking spot by displaying dynamic guidelines on the display screen to help guide you into place.

**Smart Parking Assist**

The Smart Parking Assist makes parking a breeze. It uses front, side and rear sensors to assist you with parallel, angled and perpendicular parking. All you need to do is handle the brake, accelerator and gears - the system takes care of the steering. It can even help you pull out of parallel parking spots (grade dependant).

Build your Ceed SW

VERSATILITY

Make room for
more of you.

The Kia Ceed Sportswagon not only offers more room for everyone on board - in fact its luggage capacity ranks amongst the best in the segment - it's also an expert at making space work for you. Whether it's the one-touch folding rear seats or well placed luggage compartments - this Ceed is packed with ideas that take you further.

40:20:40 folding rear seats

Thanks to the split folding seats, the Sportswagon adapts to your needs - great for transporting sports equipment or other long items (grade dependant).

Remote folding

The Ceed Sportswagon makes loading quick and effortless without cumbersome folding: simply use the lever in the luggage compartment to fold down the seats remotely (grade dependant).

Boot space

With the rear seats folded, you'll enjoy 625 litres of luggage space. There are also two underfloor storage compartments to maximise your luggage area. Plus, a storage area under the boot cover can keep smaller items away from prying eyes.

GENUINE ACCESSORIES

Maximise the experience.

If you want your Kia Ceed to be fully set up for all your journeys, then Kia Genuine Accessories are the answer. From long weekends away, to sporting activities or big shopping excursions, the range covers all your needs with handy features to personalise your car. It also includes many stylish solutions to emphasise the dynamic looks of your Kia Ceed.

Roof box 330

Heading off on holiday, you'll probably need more luggage space than usual. Before you start cramming things in your cabin, enjoy the convenience of this sleek and durable roof box. Easy to install and with dual side opening for extra-fast access. Easily install your roof box with roof racks on your 5dr and cross bars on your Sportswagon.

Reversible boot mat

Whether you're transporting your pet, your weekly shopping or your family's luggage - this made-to-measure mat will keep your boot looking clean, new and stylish. High-quality velour on one side and a resilient dirt-resistant surface on the other.

Textile floor mats, velour

Keep your cabin unblemished for longer. These high-quality velour floor mats will protect your All-New Ceed's interior from everyday dirt and enhance its look at the same time. Tailor-made to fit the footwells perfectly, they feature the All-New Ceed logo in the front row and are held in place with fixing points and anti-slip backing.

Tow bar, fixed

This high-quality corrosion-resistant fixed tow bar is developed to optimally transport loads according to the maximum towing and bike load capacity of your All-New Ceed.

Rear bumper trim line

A small detail, with a sophisticated touch. Introduce this refined surface finish to your rear bumper in delicate high-gloss stainless steel, for a sleek accent along your tailgate. Available also in brushed finish.

CONVENIENCE AND COMFORT

Get ready to be impressed.

Every journey starts in style and with all the comfort you could wish for. The welcoming interior is fitted with black leather upholstery, including a slideable black leather armrest (grade dependant).

Heated front and rear seats

Whatever the weather has in store, you're ready for it. The front and outer rear seats can be heated on cold days. Featuring three adjustable settings (two on rear seats), they warm up quickly and then level off after the desired temperature is reached. The Kia Ceed also comes with a heated steering wheel (grade dependant).

Smart key

Beginning your ride couldn't be easier: enjoy keyless access to your car with the smart key and the engine start/stop button that lets you switch the engine on and off with a simple touch. The Remote Window Control is a handy feature if you forget to close the car windows: press and hold the lock button on the smart key to close the windows remotely (grade dependant).

Heated steering wheel

You'll find many premium features throughout the Kia Ceed: on cold days, the heated steering wheel allows you to start your journey in complete comfort (grade dependant).

10-way Power Adjustable Driver's Memory Seat

The Kia Ceed features an Integrated Memory System that remembers your favourite driver seat settings, so you can get comfy instantly (grade dependant).

Wireless Phone Charger

Forget cables, just place your smartphone with Qi technology on the convenient Wireless Phone Charger (grade dependant). Check with your Kia dealer for mobile phone compatibility.

JBL Premium Sound System

For great sound, the Kia Ceed comes with a JBL Premium Sound System. It features eight speakers and advanced Clari-Fi™ music restoration technology to improve the quality of MP3s and provide high-definition sound (grade dependant).

INTERIOR TRIMS

Set the mood,
refine the detail.

'2' grade Premium black interior

The '2' grade features black fabric seat upholstery and eye-catching dark metal paint dashboard accents.

'3' black cloth and faux leather interior

These grades come with black cloth and faux leather-trim seats, high-gloss black trim and satin chrome dashboard accents.

Redefine sportiness.

The Ceed GT-Line, GT-Line S and GT celebrate quality materials in equal measure. Soft-touch surfaces and carefully stitched details on the seats create a sleek, sophisticated atmosphere. Choose between the cloth and faux leather, leather and faux suede with grey or red stitching with 10-way power adjustable driver's memory seat, only for the GT-Line S.

GT-Line

This beautiful two-tone upholstery combines black cloth with light grey faux leather.

GT-Line S

The black faux suede and leather combination is adorned with contrasting grey stitching.

GT

Truly eye-catching: the black faux suede and leather upholstery features red stitching.

Now there are even more reasons to buy a stylish, technology packed Kia. Peace of mind comes as standard when you join the Kia family with the Kia Promise - 7 great owner benefits when you buy your Kia and register at MyKia.

7 more reasons to join our Kia family

There are a lot of things to consider when buying a new car. Compromising on reliability in the long term shouldn't be one of them. That's why Kia have redefined quality and offers a unique, industry-leading 7 year warranty that comes with peace of mind for at least 100,000 miles.

Our complimentary driveaway insurance, with up to 5 days of optional cover if required, will get you on the road right away and comes complete with one year's free Excess Return worth up to £250, protecting your excess whoever your insurer is. You can also upgrade to a great value, annual insurance policy. Our policies cover you for genuine Kia approved repairs, parts and labour, meaning you never have to compromise when keeping your Kia 100% Kia.

Our 24/7 Roadside Assistance package is designed for Kia owners in partnership with the RAC. All new cars have complimentary cover for 12 months from the first date of registration. If you register on MyKia, you can unlock Kia Roadside Assistance Plus, giving you the highest level of cover provided by the RAC, including onward travel and European cover.

Order Genuine Kia accessories, where and when you need them! Our Click & Collect service offers choice and convenience, recognising your model from the registration number to ensure you get exactly what you need. Then simply collect at your nearest Dealer, where they can fit them too.

Online service booking offers convenience and flexibility 24/7. Offering quality and value at one of our Dealers nationwide. Kia trained technicians use the latest diagnostic equipment and technology. All of our Genuine Kia parts come with a 2 year warranty. Fully inclusive pricing at the click of a button.

When you own a Kia, you become part of the family and benefit from a relationship based on trust and transparency. When you visit one of our dealers for a service, your vehicle will benefit from a complimentary Health Check, a wash and vacuum and alternative transport if needed. Welcome to the Kia family!

Available to all Kia owners, whoever your insurer and whatever the circumstances of the accident, Kia Accident AfterCare can take care of things for you. We'll liaise with your insurer, provide a free courtesy car and exercise your right to genuine Kia parts and repairs at a Kia Approved Bodyshop.

Kia Care Service Plans

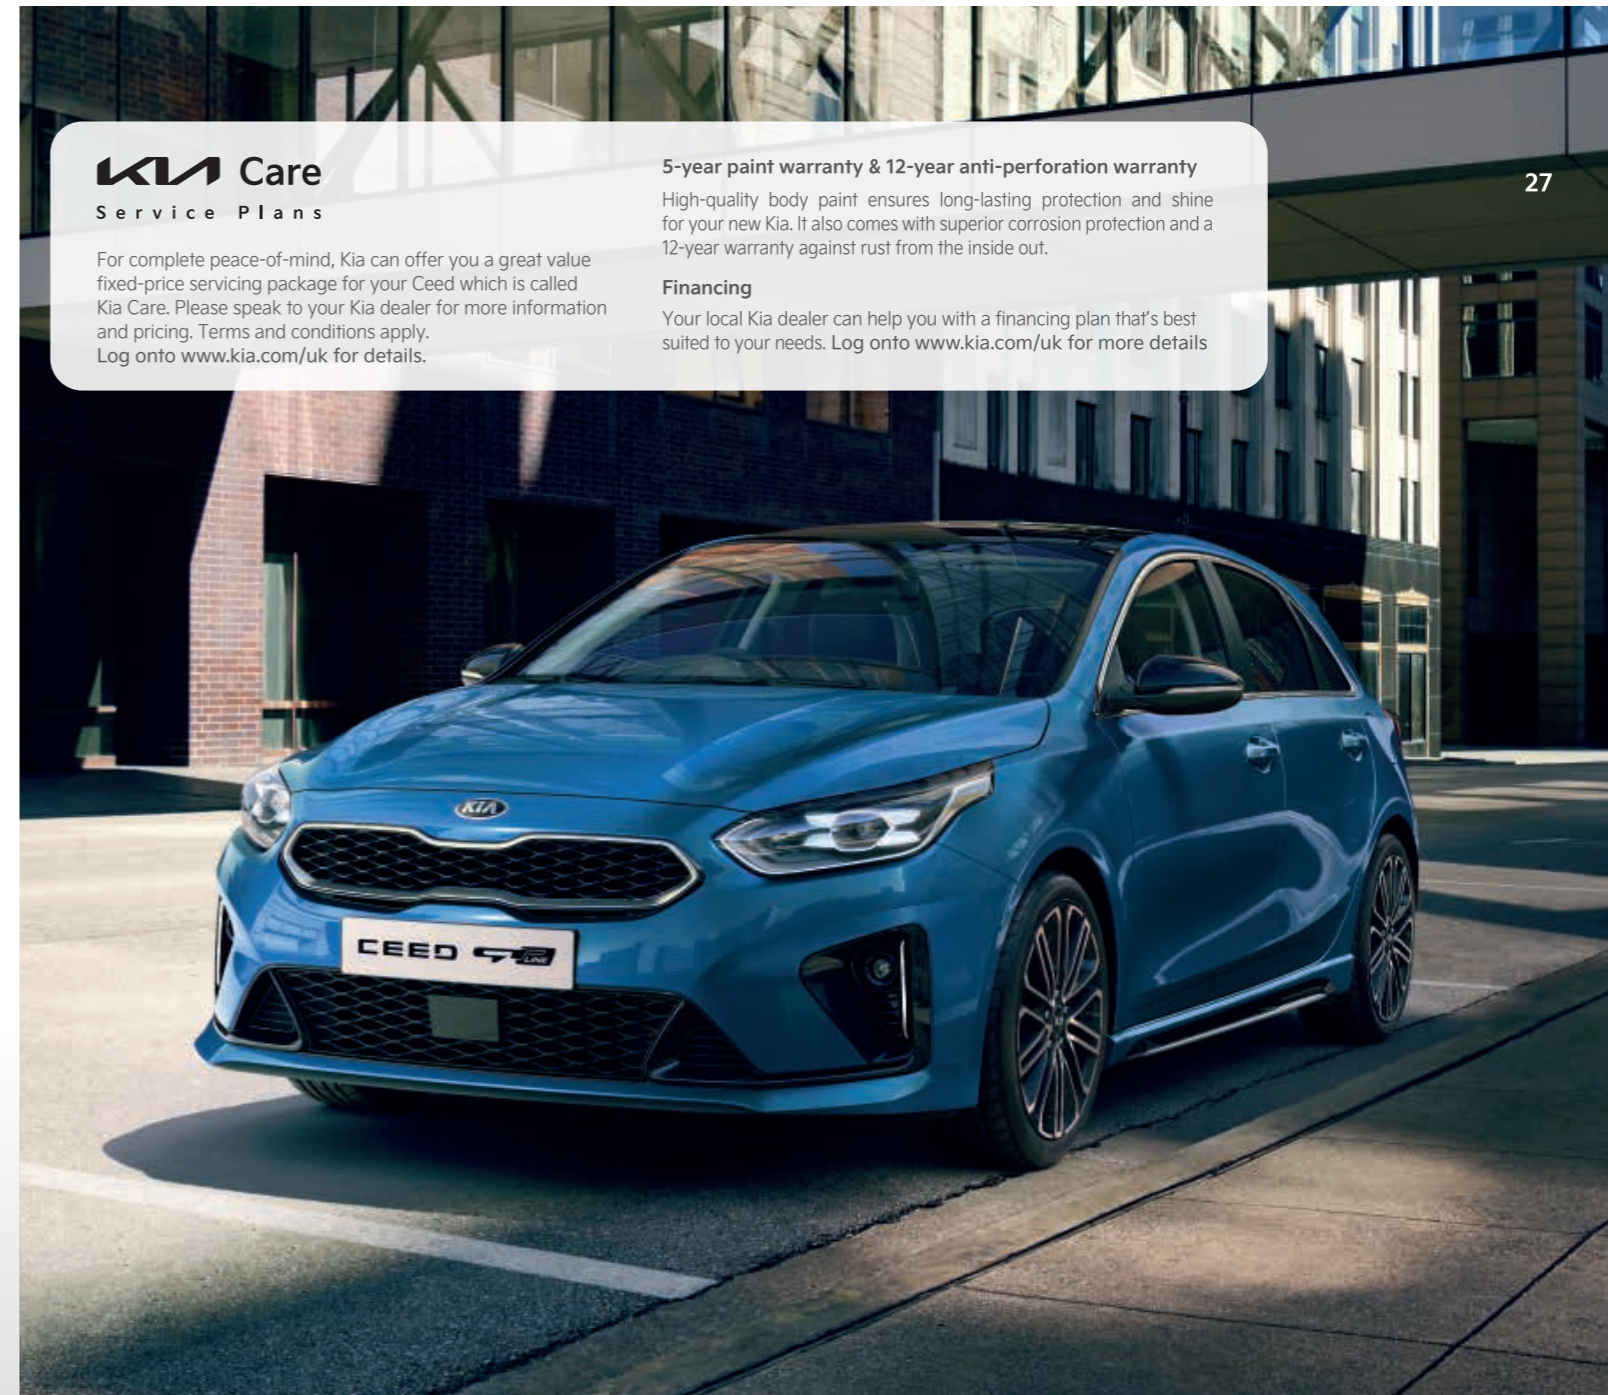

For complete peace-of-mind, Kia can offer you a great value fixed-price servicing package for your Ceed which is called Kia Care. Please speak to your Kia dealer for more information and pricing. Terms and conditions apply. Log onto www.kia.com/uk for details.

5-year paint warranty & 12-year anti-perforation warranty

High-quality body paint ensures long-lasting protection and shine for your new Kia. It also comes with superior corrosion protection and a 12-year warranty against rust from the inside out.

Financing

Your local Kia dealer can help you with a financing plan that's best suited to your needs. Log onto www.kia.com/uk for more details

Fully unlock these benefits
when you register at **MyKia**
